LETTERS FROM PERRY TO PAROLE COMMISSION

Date	Page #	Quote
February 1983	000148	"I am not guilty of all that I have been convicted of."
	000149	"So I by the means I felt were right, obtained the things that I needed be robbing, or by stealing, and one thing lead to others. And this is where i've ended up, and it's not that I'm a bad person, I was a mix up person that cried out for help but know one heard"
December 1989	000204	"...I'm not a bad person, just one that has made a mistake at a very young age... I'm not a criminal, and I do not belong here prison now, I once did, and maybe for thinking wrongly as a youth I may forever be here but it will remain to be something that I no longer deserve. I wish a thousand times that I did not do the things that I did, now I'm wishing to make amends for them, and I'm hoping for a chance to. Unable to change the past, (what I've done) but hoping to prevent other young people from stepping into the path that I took, the hole I fail into, and I can."
March 1991	000135	"Sir, I do realize that I've made a mess of my life, this was years ago...I am not that bad person that I was described as during my trials."
April 1991	000132	"I have literally spent my life in prison, not because I was such a bad person, but because I simply did not know how to face responsibilities of life."
August 1991	000127- 000128	"Therefore any time now that I'm having to pull will truly be cruel, but fair considering what I did to my life at a such a young age. I'm no criminal, Mr. Colombo, not anymore. I'm just a individual who's always meant well but was made an example out of with hopes to maybe deter the rise in that area of crime."
September 1991	000121	"I've long ago excepted the responsibility for my actions, and I regret my ignorance as a kid even to this day. I can't undo my mistakes of those times but I'm aware enough to realize that I can deter at least one other kid that may be headed down these roads."

March 1993	000085	"It's a painful reality, and one that I don't deserve, yet it's the fate stemming from actions I took, or acts I felt I had as a kid gotten away with."
September 1994	000090	"These sentences caused me to appear twice as bad a person than I really were at the age of 21, a kid."
	000091	"Where I have excepted responsibility for the position that I put myself in nearly twenty years ago, I am ready for some for of release."
November 1994	000038	"I am serving terms for which I am not guilty of "some," but I have for the sake of my own sanity chose to serve what's required."
December 1994	000048- 000049	"Where I am not guilty of all that I have been convicted of, I have placed myself in the position that I am in, and I have long ago excepted responsibility for my acts."
	000049	"I will include with this package (letter) a copy of my accomplishments, to reflect my willingness to correct the path that I chose as a very young adult."
	000053	"I have except responsibility for the acts of my youth, I am making the very best of a terrible situation."
January 1995	000034	"I haven't done anything that would warrant such a severe punishment although the records will say I have. But that's not the issue now."

The N.C. Innocence
Inquiry Commission

To Whom it may Concern:

In 1975 I was charged with a murder
armed robbery of a Mr. Bullock in Swainville Co. Butner
N.C. Having been found guilty of these charges in
1976, it was by the testimony of Willie Dornble
that placed me in Butner N.C., and I am sure
that the SBI coached Willie Dornble in his
testimony. A testimony while on the stand Willie
retracted after making a deal with the SBI. It
threw the trial into a mis-trial where two of the
accused was freed instantly. I on the other hand
was brought to trial, with Willie's statement being
read in open court "during trial," excluding my
name, but placing me in Butner during the time
of the crime. The gun was connected to me from

a Durham conviction of Armed Robbery and assault months later. However, it is not my case that I seek help with; it is Willie Adomble's case.

December 1st, 2011 the only person that was with me on that case died. December 1st being my birth-day! I have long wanted to show how the S.B.T. framed an innocent man & murderer, simply because he revaged on a deal with them.

Albert Lee Willis of Durham resided with me in my apartment during that time, and it was him that was with me that night. He's the short guy described by the store keeper's daughter who I knew to some degree, having served time at the ^{Prison} in Buttes only a short time before that evening. I so wish I would have seen her or knew she was in the store. I would not have suspected that lit-girl to that scene. I would prefered getting caught for the robbery.

My point here is, Willie Adomble was not with us, nor did he know; "hears news of, or was in our circle. I do not know how Willie got involved as

a witness, or how he and the S.B.I. got in touch for this to happen. I can tell you this, knowing Willie Dornick, I feel that a degree of retardation exist with him, and he was tricked somehow.

He doesn't know that since Al's death, that I have tried telling you the Innocence Inquiry Commission, an attorney at Prisoners Legal Service about his innocence.

I can not communicate with Willie, nor do I know of his whereabouts, but he is still incarcerated. Whether theres any relevant facts if what I telling you is available after all of these years, or not - I am telling you - he is completely innocent. He's guilty of only being super stupid for trusting the S.B.I. of Shererville County, Joseph Morniah or something to that effect, who investigated the case, and his partner.

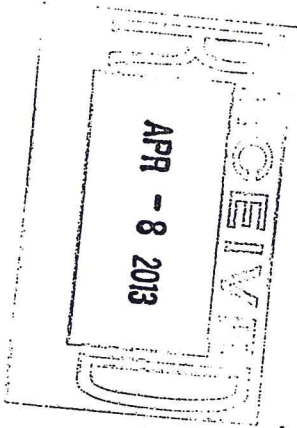

Serving 38 years for absolutely nothing. I have personally forgiven him, years ago; as I for so many years sought forgiveness from God for my actions of that night. I have served the time, and I'm still paying my debts for that night and others.

Telling you of this grave injustice doesn't make me whole or free of my burden, I will live every day with an increased value for life, and a dedication to stopping the innocent taking of lives.

Help Him, is what I ask! Speak to him and find out the why's to his situation. If he hasn't caused himself to believe he committed that crime, he may be able to tell you what really happened to involve himself. These things I do not know, but what I am certain of is he is completely Innocent, Completely.

Sincerely Requested:
Joseph L. Perry

4/25/2013 Telephone Call Placed by Joseph Perry

- **Person Called:** Vadora Davis (Girlfriend of Perry)
- **Note:** Only the portion of phone call relevant to the case is provided.

PERRY	There's a lot of things going on, on this end of the world so I don't know...
DAVIS	Like what?
PERRY	I started not to call tonight, really...but I...
DAVIS	What's going on?
PERRY	A lot of shit....good and bad but. Did I ever tell you about the guy that testified against me that didn't know anything about the situation...this case?
DAVIS	Mmm-hmm...mmm-hmm.
PERRY	I have told you about that haven't I? For a long time...
DAVIS	Right...yeah.
PERRY	For a long time now pretty much...
DAVIS	Mmm-hmm.
PERRY	Okay, yeah, I'm not gonna say any more then. I'm not gonna say any more about that. But nevertheless I thought I had and I wasn't quite sure. But I know I told Angie and I know I had to tell you at some point...that little story. Anyway, but it's a true story....it's a very true story but nevertheless...
DAVIS	Well, what about it?
PERRY	Hmm?
DAVIS	Is something going on now, huh?
PERRY	Chill out, I'm about to tell you baby. Patience. Patience
DAVIS	(laughs) Okay.
PERRY	Um, I wrote to the Innocence Committee, then I wrote to an attorney that represented me...
DAVIS	Mmm-hmm.
PERRY	Uh, from the Prisoner Legal Services. But I wrote to the, to the Innocence Committee twice. Last year I wrote after Al died.
DAVIS	Mmm-hmm.

PERRY	I may have told you...
DAVIS	Uh-huh.
PERRY	But I wrote after Al died. And then they told me that Willie Womble had to kind of address that issue himself, so I ain't bothered to write again. But this year, you know, when you get it on your heart to do the right thing. So this year I wrote again but... This time I wrote to the attorney at Prisoner Legal Services at the same time.
DAVIS	Mmm hmm.
PERRY	So this is over been maybe a month or so ago, maybe two. But yesterday...no, it wasn't yesterday...today's Thursday....so Tuesday I think it was...the Innocence Committee come down here to talk to me. Two white females from the Innocence Committee...and they want to know about the situation about the case or whatever. So I explained to them about the case. And how actually Willie Womble hasn't, and it's a true thing, he doesn't know a damn thing about the whole case. But he was assisting the SBI and probably just to put me in that town or whatever just to get a conviction.
DAVIS	Right.
PERRY	So...what I'm trying to do now, because I won't implicate Al by telling the truth... I've already served the time, as I think I've told you before...I'm trying to free his behind because he really hasn't done anything. It's kind of called a cleansing of the heart as far as I'm concerned...for my heart.
DAVIS	You trying to...you trying to free who?
PERRY	The guy that testified against me.
DAVIS	How can you free him if he don't...if he testified against you?
PERRY	Well, he testified against me, but he tried to recant his story on the stand. And for doing so...he's going against the SBI...whatever plot they had to convict me. And they turned it on him in the long run. Two years after I was in they gave him the same charge.
DAVIS	Right, okay.
PERRY	But baby, he don't know nothing about that. I don't even know how he got involved....I really don't to this day. To this day I do not know how he got involved with this case.
DAVIS	Well then...why....
PERRY	Huh?
DAVIS	So what you mean by you gonna...you gonna....

PERRY	Well I can free him. Because I'm the only one that's actually living that actually knows what happened... You understand what I'm saying? It doesn't put me in no...no bad way by doing so. You understand what I'm saying?
DAVIS	Then why you gonna do that for him when he...when he lied on you? I mean what...
PERRY	Yes, he did...and that's a very good response, and that's a very good response...
DAVIS	I mean, I don't understand that.
PERRY	(laughs) We'll talk about it Saturday. But uh, at some point I'm going to write a book. You with me?
DAVIS	Mmm-hmm.
PERRY	And in order for me to write this book and put it the way it actually happened, then I got to put it the way it actually happened. And if I don't never straighten it out before I even write the book, then it becomes a lie. You understand what I'm saying? Although he...he did testify against me and I've hated his damn guts to the end of the world because that's the only reason I'm still in prison is that charge, that particular charge. You with me? But still....I'm gonna get out of prison...ain't no doubt. And it's not gonna hurt me from getting out of prison by saying or doing whatever I'm doing. Because I'm still eligible for parole and I'm still gonna get out basically. But this is something that I have to do. Because I don't lie, I don't live a lie and I definitely don't try to live with a lie. I had more hate for the brother than I ever did from when I lied on him. He really didn't...I'm not lying on him... actually, he did really put his self in that situation. By trying to convict me...he actually did it to himself.
DAVIS	So, he...he said...well I don't understand. He said that you were...he said...how he testify against you without getting himself in the same situation?
PERRY	I don't hear you. Say that again.
DAVIS	I guess I'm kind of confused because, how could he testify against you if he wasn't there, or whatever happened?
PERRY	That's my point exactly. The SBI wanted that conviction so bad that they used him in whatever way they used him. I don't even know how he got to know...
DAVIS	And then they turn around and, and, and....
PERRY	Yeah, because he took his story back.
DAVIS	Huh?
PERRY	Huh? He took his story back on the end...during the trial. But then...

DAVIS	Oh, he did?
PERRY	Yeah. That's how Albert Lee got to walk out of the courtroom and this other cat named Boo Boo. I had other charges so I wasn't never getting...they weren't going to let me walk out of the courtroom. But then they come back and tried me on his statement that he had written about the situation. And convicted me on...on that...which was illegal...and that's what I've been fighting for 20 years in the courtroom. But, now that Al's dead. In order for me to tell the story the way it's supposed to be done, I would have to implicate Al...I just would have to implicate him...I would have to. But now that he's passed...I don't really have any grudge against Willie Womble because he's kind of retarded to me.
DAVIS	Oh.
PERRY	And I can't fault a guy who doesn't have all his faculties for doing the things that he done...
DAVIS	Oh.
PERRY	...if the SBI tricked him, you understand what I'm saying?
DAVIS	Mmm-hmm.
PERRY	And if you seen him right now you would think that...damn...he looks old or dead or whatever, if you seen him right now. So, I can't hold him to that anymore. If I had got hold of my hands on him earlier in the years, of course I probably would've did something to him. It ain't no question about it, I know I would've.
DAVIS	Was he from Cornwallis?
PERRY	Yeah.
DAVIS	Womble.
PERRY	Yeah.
DAVIS	Womble... Did he live on Cornwallis or did he live on, on, uh...Roxboro?
PERRY	On Roxboro.
DAVIS	Or on Cornwallis? Or Roxboro.
PERRY	On Roxboro section...coming up Roxboro it'd be the second turn in. He's kin to them Ferns' and so forth and so on.
DAVIS	Oh, okay...okay.

PERRY	Yeah. So it's... I don't know why he did what he did. But he definitely wasn't in that other county, I don't know...I just can't even explain...
DAVIS	So, where is he at now?
PERRY	He's still in the system...he's still in prison.
DAVIS	I mean where? Do you know where he is?
PERRY	Yeah.
DAVIS	He's the one out here in Durham, right?
PERRY	Huh?
DAVIS	Wasn't he in Durham?
PERRY	Yeah. He was in Durham when I was at Hillsborough and I couldn't ever go to, exactly, that particular one. But they done closed Durham so I don't know where he was. He was here...when I got back here, he was here.
DAVIS	Really?
PERRY	Yeah. And I asked him...the only question I ever asked him...the only time I asked him...I said man how did I get involved in your situation or you get involved in mine? How did that come about? We didn't hang out...we wasn't in the same circle...he ain't never had a car...he ain't never had clothes...he ain't never had nothing...that really, you know what I mean? He never had anything. He was just one of the cats in the projects who could never really get it going. He drank a lot and all this. I don't know, baby. I can't explain how in the world he come to testify against me, in my situation.
DAVIS	So um...is he your age, older?
PERRY	Yeah...he's like 50... he should be about 56, 57, maybe even 58. He might even be older. But I don't know, he looks older. He looks like a granddaddy... he looks like an old...old shriveled up man right now. But I don't know, I don't know. I don't talk to him. Every time I look him up on the...
DAVIS	That's...
PERRY	Huh?
DAVIS	So when you check with...
PERRY	No...he got a...
DAVIS	Oh, he knows....
PERRY	Oh okay, okay, I'll listen...go ahead.

DAVIS	So, when you came back down to where you are now...he was there then?
PERRY	Yeah...yeah...he was here. And he avoided me like a...I don't know why...but he avoided me because he always...he knew me. He knew that I would have...in the earlier days...done something to him. He knew when he came to CP and I seen him in safekeeping that I was gonna do something to him. But I didn't. They took him outta there and I didn't see him again for 13 years. So after that, I realized that I can actually get out of prison so it wasn't no need in trying to hurt the dude...that would set me back. And I was on the...I was on the road to progress then. I was...progress... and I said I ain't gonna stand still. I'm gonna keep it moving as if I am gonna get out of prison. And that's the way I've always held it...that's all...I've always carried it that way, so...
DAVIS	Uh-huh.
PERRY	And I still carry it that way. So, it's just kind of like the right thing to do. I know I had mentioned it to you I just wasn't sure so... the Innocence Committee was asking me...
DAVIS	Yeah.
PERRY	So they...the Innocence Committee was asking me who have I ever told this to. And I said what do you mean? She said, in the past who have you told this to because we want to know if this is something you're just putting together now or if this is something you've been saying all along. Well I...I told her...I said listen, it's almost impossible for me to list everybody that I've told my story to... that's been, you know, close in my little circle...that knows about this situation as it is. And I said, I've told so many people from the seventies to now that I can't even begin to list them all. But anyway, she told me to put down some names and submit it to them and if these people could verify that I been saying this over a number of years they...I think I put down 40 names because these are the people that have been in my circle over the years...and it goes all the way back to the 70's.
DAVIS	Uh-huh.
PERRY	So, hey...this is not a made up story now. I don't have no need...ain't no damn need to make up none now. Both of us done done the damn time, both of us done had MAPP...both of us done had MAPP taken. I don't have any animosity in my heart for the kid because I got to move on. I'm not a hateful...that ain't what I do. That just ain't me no way. Anyway, that's the story. But we'll talk about it...we'll talk about it. That's only one thing that's going on, we'll talk about some more, maybe Saturday.
DAVIS	Okay.
PERRY	But that's just one of the situations...but that's...if we...that's cool. Because really that's not an issue. I've got it off my heart, I've given it to them. They can do whatever they want to with it.

DAVIS	Yeah.
PERRY	They can fix it or not fix it. Help him or not help him. As far as I'm concerned, I've taken the lid off...I've given it to them. I don't hold an obligation to this cat...I just did the right thing for me.
DAVIS	Oh, okay.
PERRY	But anyway...we'll talk about it Saturday.
DAVIS	Okay.
PERRY	We'll talk about it Saturday. So you be good. Be safe.
DAVIS	Okay, I love you.

5/8/2013 Telephone Call Placed by Joseph Perry

- **Person Called:** GAIL LNU (Friend of Perry)
- **Note:** Only the portion of phone call relevant to the case is provided.

PERRY	Right now I'm working on a situation with a guy...I'm trying to help him get out of prison...Do you remember Willie Womble?
GAIL	Willie Womble?
PERRY	Yeah...a guy named Willie Womble...used to be in the projects.
GAIL	That sounds familiar.
PERRY	He was kind of burnt up...like kind of ...back in the day...back in the day.
GAIL	Yeah, I think I do.
PERRY	Yeah, you would...you would. You remember Albert Willis?
GAIL	Albert Lee Willis?
PERRY	Yes.
GAIL	Uh-huh.
PERRY	Okay...you know he's...he passed, right?
GAIL	No, I didn't know that.
PERRY	He died in 2011...December 1 st ...on my birthday.
GAIL	Hmm.
PERRY	But anyway, it was Al and I that was on a little crime together. But Willie somehow inserted his self in that crime and wanted to testify against me I guess. And he kind of got me convicted but he got himself convicted also.
GAIL	Uh-huh.
PERRY	The SBI kind of put him in the cross. But actually it was me and Al. And Willie didn't know anything about it. So, Al has passed and I'm working on a thing now trying to get Willie Womble freed because he really was put in the cross all of these years. The SBI kind of tricked him...so they may owe him a few thousand dollars...you understand what I'm saying...
GAIL	Uh-huh.

PERRY	...Because he's been wrongfully incarcerated. You know it honestly comes with age I guess...you want to do the right thing.
GAIL	Uh-huh.
PERRY	So, I don't have...
GAIL	Uh-huh.
PERRY	...a problem with doing the right thing by him, so...
GAIL	Uh-huh.

5/15/2013 Telephone Call Placed by Joseph Perry

- **Person Called:** **Vadora Davis (Girlfriend of Perry)**
- **Note:** **Only the portion of phone call relevant to the case is provided.**

PERRY	But I did see those Innocence Committee people yesterday. They did say they had...they wrote me and told me they had put in an appointment for Tuesday.
DAVIS	You spoke with them yesterday?
PERRY	Yeah. The two ladies from the Innocence Committee and uh...
DAVIS	Uh-huh.
PERRY	They want answers to some more questions and so forth and so on...and put them on the right track of doing the right thing for that cat. But I...I made it clear to them yesterday...I said listen...y'all must understand something, I'm not necessarily doing this for his sake per se...as it is for just relieving myself...doing the right thing for myself...kind of sorta. Not to seem selfish but I want things to happen for him to...but I give that to them...y'all do it. Because he did put me in here and I am serving extra (inaudible). Well he didn't put me in here...but he did testify on me to get me where I am...which is kind of... However I did commit the crime and that I take...take full responsibility. So I talked to them yesterday. But I did want them to understand that they don't have to keep contacting me, really. They want verification that I've been saying this all along... who in the hell in they right mind gonna call the Innocence Committee and tell them that a man's in prison for nothing...that I did the crime? Who in the hell is going to do that? I've already served the time so this ain't no game. I don't know what they thinking about. So they can take it from there. They need to go talk to him.
DAVIS	That's what I was getting ready to ask you.
PERRY	What?
DAVIS	Do they thinking about contacting him in anyway?
PERRY	They gonna have to eventually talk to him. They trying to verify my story first. I'm trying to tell them if you don't believe what I'm saying, you do have a thing called a lie detector. I will give you the full details. And then if you can take all those inadmissible in court lie detectors... you can admissible you know, you can't put in court or anything... but it does kind of verify whether you are lying or not. You feel me, so...
DAVIS	Uh-huh.
PERRY	If they say Joe...if they say nah it aint so much that we don't believe you...it's just that when we get to court and to make this a solid situation we need to know that you've been saying this for a, a great long time and didn't just start

	saying it now. And so I pointed them in some certain directions where I filed petitions way back in the day...but that's, we'll talk about that another time.
DAVIS	Hold up, is this the case that was taking place in...it won't in Durham?
PERRY	No, it wasn't in Durham. No, it was in Granville County.
DAVIS	In Granville County?
PERRY	Yeah.
DAVIS	Ok.
PERRY	But it's over it's done. Hopefully I won't have to speak with them anymore...and they can go on and do what they have to do for him. But I also told them, I said now my only ulterior motive for doing such a thing is I plan to write a book one day. And in order for this book to be a nonfiction...it be a truthful book...then I must give it to them the way it happened. Because I don't want nothing to come back and say oh you lied in your book this that dotty dah dah. No. It's going to be a book, sweetheart... it ain't no doubt about that.
DAVIS	Well look, have you talked to anybody as far as like the book thing is concerned?
PERRY	Not yet. I'm getting all my ducks lined up in a row first. I'm getting everything out of the way that I'm a need out of the way but I may start writing it in here. Because I've done all the schools that I want to do and Hillsborough is more like a laid back spot working whatever. It ain't really nothing to do that I haven't done already. So, I can get into my little refresher courses whatever I want to maintain my maintenance or telecommunications or whatever computers is definitely there to keep my hands on. So, that's another reason I'm going to Hillsborough. But then I can also write my book on the computer...because I have a computer assigned to me. It's not hooked up on the internet... but it does have...I'll have my own little disk and whatever. So...
DAVIS	Have you ever thought about like getting...like a person, you know...you just can't write a book. But you can write a book but you can get somebody that...
PERRY	That can write a book that does his work very well. That's what you're saying? To sell my story too.
DAVIS	Um well...not a publisher but what you call that kind of person that...it's not a co-author because it's your book.
PERRY	Uh-huh.
DAVIS	But they help you with the formation and ...

PERRY	Oh yeah, yeah, yeah, yeah, yeah. Definitely. That's why I say I'm lining up everything now. I'm have all that...
DAVIS	Huh?
PERRY	I'm have all that in line as far as the structure and all that...how to structure the book and how to do this and how to do that. Oh...but I got a general idea. I got some book writing material...kind of sort of.
DAVIS	You wouldn't want to see, you wouldn't want to talk to nobody that was like....
PERRY	Like I dictate it to them and they write it? They structure it the way it is supposed to be structured...that's what you're saying?
DAVIS	Yeah, I mean...I don't know what you call this person. Because I know I've seen those people who help write a book and they call themselves this person...I don't know. Yeah, I guess...it is just, I don't know who does it.
PERRY	Yeah. I understand what you...I know what you're talking about...I know what you're talking about. It's not a co-writer of anything like that...oh it could be a co-writer.
DAVIS	Uh-huh...it has to be like the sequence and things like that and...
PERRY	Yeah, yeah, yeah, yeah.
DAVIS	...And because when you writing it's about you and whatever. You might think of something today that happened in 1950 to 1970...
PERRY	Uh-huh.
DAVIS	...and then, then all of a sudden you might think of something that happened in 1965.
PERRY	Oh, the organizer?
DAVIS	Yeah...uh-huh.
PERRY	Oh, to put it in a time frame?
DAVIS	Yeah...because it's about you. Yeah...and then you...
PERRY	Yeah...yeah, yeah. I can do that...pretty much put it in time frame. But you right. At some point I'm gonna forget something that happened and later on in the book I'm going to be able to insert it...hopefully...because you know...because most of the...
DAVIS	Have you already started writing stuff down...do you keep an autobiography?

PERRY	You mean like memoirs?
DAVIS	Because I can...I can kind of
PERRY	Yeah...yeah. I got about 200 pages.
DAVIS	Do you?
PERRY	I got about...about 150 pages I say.

8/25/2013 Telephone Call Placed by Joseph Perry

- Person Called: Angie Reid (Sister of Perry)
- Note: Only the portion of phone call relevant to the case is provided.

REID	I didn't see Willie Womble's name on there. (Discussing a list of MAPP eligible list)
PERRY	Yeah...he's up there. He's on the back page...on the Ws. He's up there.
REID	Oh...alright I must have overlooked it because what I did...I kind of looked at all the Durhamites.
PERRY	Yeah...he's up there.
REID	Yeah...ok...I must have overlooked his name.
PERRY	Yeah...that bama is up there. But I guess they are investigating his case for a wrongful conviction type thing too...but he did that to himself.
REID	Oh, really?
PERRY	Yeah...I put the people on his case to try to help him out.
REID	Uh-huh.
PERRY	So it's the Innocence Committee...I put them on his case to try and help him out....So we just got to see how that goes.
REID	Uh-huh.
PERRY	Actually I don't care...it's in their hands now.
REID	Right, right.
PERRY	I done gave them...I done forwarded them the information so they good to go. But now I'm just trying to get my own little black ass out of the penitentiary.
REID	I know that's right.
PERRY	Yeah.
REID	God Almighty knows.

05/24/2014 Telephone Call Placed by Joseph Perry

- **Person Called:** Angie Reid (Perry's sister)
- **Notes:** Only the portion of phone call relevant to the case provided.

	Recording Begins and Continues
REID	Ok...now...who is Ms. Stellato? Or Stellata or something? Stilleta or something. Who is she?
PERRY	Oh, Luann? Stellat....whatever her name is?
REID	Yeah.
PERRY	She's my parole case handler.
REID	Yeah.
PERRY	Yeah, she's my parole case handler.
REID	Well you know what? She called me to talk to me concerning Albert Lee Willis....and I was kind of stunned to talk on that, but...
PERRY	Oh, oh, oh, oh....no no no. That's from the Innocence Committee. Oh, I know who you're talking about now...she's the director of the Innocence Committee.
REID	Right. She called...and I was reluctant to call her back because I didn't know what type of questions she would be asking. Her main question was, "Did you and Willie Womble hung together?" I said "no ma'am." I said in fact, this young man is....I didn't want to say ignorant, stupid, or retarded...I didn't want to say that....
PERRY	Okay.
REID	But I said "ma'am, this man was not capable to do various things." And I said ma'am, he may not know of him and stuff like that, but no, that was not an association of Joseph. No, it was not.
PERRY	Yeah, now that's who she's calling about....
REID	Then she...
PERRY	Go ahead.
REID	Then she asked me had you talked to me concerning it? I said no. I didn't want her to think that I was only saying it because you said it.
PERRY	Uh-huh.

REID	I said no, we had not discussed that. Now...today...yesterday...when I came home late...
PERRY	Uh-huh.
REID	...She had called again. And she wanted to know did I know Albert Lee Willis girlfriend that he was going with that has a baby by him? I don't know no Dede. Who in the hell is that?
PERRY	I don't know Dede either.
REID	Who is she? Well, where did she get that information from?
PERRY	Oh, you know...it's DJ probably. I don't know if he got a baby by DJ. That's Diane Jones. But, I don't know who Albert Lee son is by. I really don't know. I just read in his obituary that he has a son. So...I don't know where she got that information from.
REID	Well, she said Dede or DJ or something...but I...I don't know who she is. Who in the hell is she?
PERRY	Well, DJ used to stay out in Turnkey...out on Blue...Bluefield. Out on...what you call that? In North Durham.
REID	In Turnkey?
PERRY	Yeah.
REID	By Bluefield. That's where...Turnkey isn't in Bluefield...
PERRY	It's the one on...
REID	...I know where Bluefield is.
PERRY	...This is the one right there on...what's that street that runs right by...damn...it ain't Bluefield. It's before you get up to the projects. Down in the downtown part...where that mall is. Damn, why am I talking about the mall? What street is Northgate Mall on?
REID	That's on...what's name....no, not on Birch. It's on...Birch Street is a street over...
PERRY	I'm talking about the whole street that runs straight on down...all the way down towards going towards Fayetteville Street.
REID	Oh, that is Bluefield, Joe. You go on down there and that's the projects...
PERRY	That's what I'm talking about...that's what I'm talking about.
REID	...on the left-hand side. Yeah.

PERRY	Right. That's where she used to stay...that's where she used to stay.
REID	And what's her real name?
PERRY	Her name's Diane Jones.
REID	I don't know her.
PERRY	I know you don't know her.
REID	Huh?
PERRY	I know you don't know her. What's she asking about her?
REID	I don't know. But this is the question she left on my machine on Friday. So we haven't talked...either she wants to talk to me Monday or Tuesday maybe...Tuesday of next week...concerning the young lady that was dating Albert Lee that has a baby by him. And I was like what in the hell is she talking about? I don't know no people...
PERRY	Listen...listen. Let me...do you, do you know what's going on? Did I tell you about what was going on? The whole little situation with Willie Womble?
REID	No.
PERRY	This is what's going on. I'm gonna advise you now. When Albert Lee died... December 1, 2011, right?
REID	Yeah.
PERRY	They found him in McDougal. It was a thing for me to say...okay...look, he's dead now...I can't implicate him if I told the truth. But I'm going to free Willie Womble although he testified against me in the murder charge.
REID	Oh.
PERRY	But the thing about him testifying against me in the murder charge is...he knew nothing about the crime whatsoever.
REID	Right.
PERRY	The crime happened in Butner somewhere...Granville County.
REID	Right.
PERRY	But he didn't hang with me...we didn't do nothing together.
REID	That...that's what I said. So, she did say to me...she said "Well, I do appreciate the information because that's pretty much what your brother said."

PERRY	Yeah because...
REID	I mean...and she did say that....so I said...well, I'm free here.
PERRY	Yeah.
REID	Then she called back on Friday and wanted to talk to me about damn Albert Lee's girlfriend. I don't know that...but she...
PERRY	No, you don't know nothing about that...that's all you can say about that...you don't know DJ...because...
REID	No.
PERRY	...see...me and Al were kinda dealing with both of them...they were sisters.
REID	Okay.
PERRY	DJ...Diane Jones...that's who Al was going with and I was kinda dealing with her sister who was a fine, fine little redbone. But nevertheless...y'all wouldn't know them...y'all wouldn't know them. They just other people that was in and out of our little apartment over there on Guess Street. But anyway...
REID	Okay.
PERRY	I don't know why she's asking you about that. But I got them on the case for Willie Womble's sake.
REID	Okay, okay.
PERRY	I contacted them to let them know that the SBI actually just got it wrong.
REID	Railroad that boy.
PERRY	They railroaded him.
REID	Yeah.
PERRY	They used him to get me.
REID	Yeah.
PERRY	And then once he flipped on them and on the stand in Granville County trial...then they came back a year and a half later and made him my co-defendant. And...because he did say in his statement...that's what convicted me...that he was with me when I shot the man. He said Boo Boo Frazier, Al Willis, me, and him were together. And that didn't go down like that. I don't know where he got that information from. But it was actually me and Al that did the crime honestly...to be honest. And I told them that.

REID	Okay.
PERRY	I said I done done the time.
REID	Uh-huh.
PERRY	I said I done the time...I'm ready for parole...but I'm gonna free this man because it was wrongfully done.
REID	Right.
PERRY	I said this is just the just thing to do at this point without me having to implicate Al.
REID	Right.
PERRY	And so...so now that Al is dead...I don't have a problem by telling the truth because I done served the time. I've been up for parole since 2002.
REID	Right.
PERRY	So it ain't like they can come back and get me some more time.
REID	Right.
PERRY	But this is to free him...and to also point out that how crooked the SBI was during that period. They would go to any lengths to get me convicted of any crime. They just...
REID	Right.
PERRY	...won't...won't let me get away. So they used this man...who was a complete idiot...to convict me.
REID	Oh. Yeah...and I told her that...I said ma'am, the young man... I don't want to say retarded...I...that's what I wanted to say...
PERRY	That what it is. You could've said that.
REID	But I said "ma'am, they did not have no association at all."
PERRY	No.
REID	I said, I don't know if you know of him at all...I said...but that man's not even capable...
PERRY	Of doing that kind of stuff...nah.
REID	...of doing the things they had done.

PERRY	Nah.
REID	It really isn't. And it's so pitiful that so many people are incarcerated behind some bullshit. But okay.
PERRY	He's in. But in order to prove my point that the SBI is filed and crooked...and this charge shouldn't never been even brought to court...although I did the crime...so I done did the time...okay...the punishment is done. But it still was the crookedness of the SBI that I want to point out....because if I'm ever to write a book, and it's gonna be a truthful book, then I got to put all the facts in as they were. And if I didn't do these things now...then they say well why didn't you correct these things now...beforehand...before you wrote the book...all this other...anyway. Anyway. They know about the little book I plan to write....if I ever get a chance to write it. But anyway...they gonna free him. And in the process of freeing him...it's gonna reveal the SBI's crookedness. And in the process of doing that...he might get paid...and I'm talking about...
REID	Well, he should...he should.
PERRY	...I'm talking about paid....I'm talking about paid.
REID	Well he should...because that boy been gone thirty-some years...
PERRY	Yeah.
REID	...and that boy don't know his head from his damn ass.
PERRY	I mean...
REID	Have you...have you...
PERRY	...he has done nothing, Angie. Seriously.
REID	Yeah.
PERRY	He hasn't done nothing.
REID	Have you run across him since you been incarcerated?
PERRY	He was at...he was at Tillery when I made grade...in 2000.
REID	Huh?
PERRY	And then...
REID	Did y'all ever talk?
PERRY	Yeah. He retarded...he was on the side of a building with a little white boy then...so, you know...doing whatever he do...with the little white boy...whatever...that's what they was. Anyway...and...but...when they first brought him in the wall two years later after I was there...I was gonna crack his damn

	head...because I couldn't understand how he got on the stand and involved in my situation.
REID	Right.
PERRY	And I asked him...the first time I had ever asked him was 2011...when I got back to Wake...he was there...I left Tillery...came back to Wake...and he was there. And I asked him...I said "Willie, I got something to ask you." I said "how did you get involved in my situation and become the a witness for the state?" I said "how did that happen?" I said "because you knew nothing about it." He said "uh...uh...uh....uh...." You know he stutters a bit...
REID	Yeah. Yeah.
PERRY	He said the SBI...SBI told me to say that.
REID	Oh my...
PERRY	And the way the statement was written...ain't no way in the hell Willie Womble could have wrote that statement that they read in court on me.
REID	Oh my...
PERRY	Ain't no way in the world.
REID	Well, they must've wrote it for him.
PERRY	But either way...though...the Innocence Committee been looking into this case now for...maybe a year and a half....cause I....I got in touch with them in 2012... I wanna say.
REID	Mmm-hmm.
PERRY	Or early part of 2013.
REID	Well, they sure calling me...but this the second time that same woman called me. I...when I talk to her next week...if she does call again...she left a number... I...I have to tell her I don't know anything about who Albert Lee was going with....cause I don't.
PERRY	And I don't either.
REID	And who he got a baby by. I said well ma'am, I don't know who she is.
PERRY	I don't know who she is, either. I really don't. I don't even know if it's DJ. Matter of fact, I'm thinking it's not. Because that...that kid would be forty-some years old...at least forty.
REID	Mmm-hmm. Right.

PERRY	But when they mentioned it in his obituary...it sounded like one son...and such-and-such...he might have been thirty or twenty-five or whatever. So...
REID	Mmm-hmm.
PERRY	I don't know who in the world that is...me and him won't in never in touch...he ain't never write...
REID	Right, and my thing is...
PERRY	...He could never do what he supposed to have done by me.
REID	Well, my thing is in trying to talk to her...what kind of information they can get from her?
PERRY	I don't know. I guess they wanna see if Al was really involved in this situation. Or did he ever mention anything about the situation...any...in reference to Willie Womble.
REID	Right.
PERRY	But I don't know why he should because he was free.
REID	Right.
PERRY	If anything he could mention about our involvement in the situation...or his own involvement...but I couldn't...
REID	What would he say?
PERRY	I wouldn't dare think he would say that because...and so...put himself in jeopardy like that...I can't understand that.
REID	No.
PERRY	So...
REID	And was Frazier with y'all?
PERRY	Who?
REID	Frazier.
PERRY	No. No. That was something that Willie Womble had up in court now when he testified for the SBI.
REID	Oh, okay.
PERRY	When he flipped...

REID	If Frazier didn't pull no time, why didn't he pull no time?
PERRY	Who?
REID	Frazier.
PERRYI'm a tell you why. It....during the trial Willie Womble flipped on the SBI-
Operator	You have sixty seconds remaining.
PERRY	...I won't with them...I was at home watching such-and-such....everybody's lawyer jumped up hollering...they dismissed the charge on Al and they dismissed the charge on Boo Boo.
REID	Frazier.
PERRY	But because I had other charges...Boo Boo Frazier.
REID	Uh-huh.
PERRY	So...since I had other charges...they brought me back to jail...took Willie Womble somewhere...came back ninety days later and tried to convict me on his statement.
REID	Uh-huh. Okay.
PERRY	And then came back a year or so later...convicted him...and made him my co-defendant....just on them.
Operator	You have thirty seconds remaining.
REID	Isn't that crazy?
PERRY	That's the way that went down...that's what's up.
REID	Well I...she'll be talking to me next week...but I...I...I'm gonna have to tell her ma'am, I don't know anything about her.
PERRY	You don't know nothing about that...neither do I. But they...
REID	Right.
PERRY	They investigating a lot of people though...
REID	Uh-huh.
PERRY	...Guys that's in prison and out of prison...So they doing they homework.
REID	Yeah, I see they are...cause they called me like crazy.

PERRY	I gave them a whole list of names over the years of people I done talked to saying he had nothing to do with this...

**AFFIDAVIT OF
WILLIAM LAND PARKS**

NOW COMES Attorney William Parks being first been duly sworn, who deposes and says the following:

1. In the mid 1970's, while in private practice, I represented Willie Henderson Womble. I had just opened my practice and worked very closely on the case with the co-defendant's attorney. I can no longer recall the attorney's name, however, he was more experienced and helped guide me through the case.
2. I was recently contacted by the North Carolina Innocence Inquiry Commission (Commission) regarding my representation of Mr. Womble.
3. I no longer have any files or case documents related to Mr. Womble's case.
4. I do remember some things about Mr. Womble's case and was interviewed by the Commission staff on June 18, 2013. This interview was transcribed and I have read the transcript.
5. My recollection was that Mr. Womble and his co-defendant (Mr. Perry) were tried together.
6. I cannot recall if we put up any witnesses or whether Mr. Womble testified, but I do not believe either happened.
7. When first contacted by the Commission, I recalled Mr. Womble telling me that he was in the car during the robbery and murder. I also initially recalled that Mr. Womble and his co-defendant (Mr. Perry) said they were watching TV programs on the night of the crime and could not have been there. I recall the District Attorney brought the television cameras to court and they (the TV programs) were the wrong day. At this point, our defense fell down.
8. I recall Mr. Womble being "very slow" or "retarded." There was very little I could do for him.

9. On Appeals, at the Supreme Court, I argued that Mr. Womble had a low IQ and that it was time for North Carolina to overturn the Felony Murder Rule. These arguments were not successful.

10. After providing my initial recollections about the case to the Commission staff, I was informed that Mr. Perry and Mr. Womble were not tried together. I believe I must be remembering their probable cause hearing because I do recall being in the court room with the other lawyer in the case.

11. After being told that the defense presented by Mr. Womble and myself was an alibi on the night of the crime, I can no longer say Mr. Womble told me he was in the car. This was just my recollection from the Supreme Court argument regarding the Felony Murder Rule.

12. I would not have presented and allowed Mr. Womble or the defense witnesses (Shirlyn and Leroy Walters) to testify if Mr. Womble had told me he was in the car that night.

13. It's been many years since this case and I simply cannot remember many details. I am piecing together what I can.

14. I cannot recall any other information that I did not provide during the Commission interview.

FURTHER THE AFFIANT SAYETH NOT.

This the 15 day of July, 2013.

LITERACY/FUNCTIONING:

- CR 000382 – 2/10/72: “The measured IQ is estimated in the borderline mentally retarded range. School achievement scores are upper 2nd grade level and for all practical purposes Willie is illiterate.”
- CR 000249 – 9/16/77: “Willie presently functions with defective intelligence (Beta 66) and achieves at the 3rd grade level as compared with 11th grade claim.” “He appeared dull and has a speech impediment which made him hard to understand.” “He functions at a below average level of intelligence, and has mild speech impediment.”
- CR 000247 – 9/19/78: “He is polite and cooperative, but due to his limited intelligence progress in school has been slow.”
- CR 000254-000255: Social History: “Inmate appears to function at a mild level of mental deficiency...Formal education will likely be limited to the third or fourth grade often accompanied by frequent failures.”
- CR 000214 – 4/30/90: “He is diagnosed borderline mentally retarded, but has managed to acquire some literacy skills while incarcerated.”
- CR 000371 – 5/8/92: “These scores suggest that Mr. Womble functions within the mildly mentally retarded range of intelligence and that he is functionally illiterate.”
- CR 000358 – 9/12/2003: “An inspection of this individual’s background reveals a 9th grade education. Upon admission to NC DOC in May 1977, no testing of academic abilities was conducted, so direct measures of his reading, spelling, and arithmetic abilities are not available.” “Also, he denied any previous mental health history prior to his arrest and incarceration.” “In the past he has been identified as developmentally disabled and, as a

consequence, has been given specialized case management because of low intellectual abilities. In 2001, however, his MR/DD status was updated by Mr. Rockwell, then social worker for the Central Region and, while it was clear that his IQ scores were sufficiently low to qualify, and his problems began before age 18 (he was in special education classes throughout school), no functional deficit were identified at that time and, in accordance with updated DOC standard, he was discontinued from the MR/DD caseload."

STATEMENTS RELATED TO CRIME:

- CR 000256 – 5/9/77: "The crime occurred in Butner, 11-19-75 when Willie and Perry were accused of killing Roy Bullock W/M/35. Willie denies guilt in his case and said he had never seen Perry until the day of the crime. According to Willie he had pulled into a convenience store in Granville to get some gas. While he was putting gas in his car he heard a shot go off inside the store. Willie stated that Perry had gone into the store and planned to rob it. During the process of the robbery Perry had to shoot the man. Willie stated that police drove up to the store almost the same time the shot was fired. Willie was arrested with Perry but denies any guilt. They offered to release Willie if he would testify against Perry but he would not do it. He was convicted and sentenced to life..."
- CR 000249 – 9/16/77: "In the interview Willie denied guilt in his crime and claimed he was not even in town. He appeared dull and has a speech impediment which made him hard to understand. The paramount problem here is Willie's inability to assume responsibility for his crime." "When seen by the Board on the above date Willie insisted he is not guilty of the crime and hopes that continued appealing his case would prove his innocence. He functions at a below average level of intelligence, and has mild speech impediment."
- CR 000370 – 5/8/92: "He commented that he had been drinking heavily at the time that he was involved in his current crime." **(NOTE: It is unclear whether the following quote is information that Womble gave to prison staff or whether it is information that prison staff gleaned from other files/records)** "With respect to his current crime, Mr. Womble was involved in the robbery of a Quickie Mart in Butner, North Carolina. Mr. Womble stated that he was with two others at the time and they were on their way to Durham, having come from Oxford. He said they stopped off in Butner and his two friends went into the Quickie mart while he stayed in the car. He indicated that it was his two friends who actually committed the robbery and that he was not involved. The official crime version indicates..."
- CR 000205 – 5/13/92: "Inmate Womble's crime occurred in Butner, NC and involved the shooting of a man during the robbery of a convenience store. According to Inmate Womble's version, he did not actually commit the murder, but due to the fact that he would not testify against his co-defendant, he was charged with the crime."
- CR 000206 – 5/26/92: "According to the Crime Story, Womble was not in the store when the man was killed but since he would not testify against his co-defendant, he was sentenced to Natural Life."
- CR 000361 – 9/12/03: "His willingness (and sophistication) to discuss his crime is limited to simple denials and externalizations that, in effect, "the other guy did it."

BURNS:

- CR 000382 – 2/10/72 (**NOTE: This assessment was completed prior to Butner homicide**): “Willie is reasonably polite and cooperative youngster with a mild halting speech impediment who has some rather extensive scarring over the chest, right arm, and right side of the neck. The scarring is the result of burns as a child and he reports that the recovery was reasonably good. While he was burned again recently, the visible scarring was not due to this happening but to being burned as a child. It appears that Willie was burned earlier last year by Ronald Fox (presently at NCCC) but not seriously enough to require hospitalization other than for emergency treatment and observation.” “The measured IQ is estimated in the borderline mentally retarded range. School achievement scores are upper 2nd grade level and for all practical purposes Willie is illiterate. There is evidence of mild perceptual motor impairment as well, suggesting that Willie has some brain damage and probably some associated specific learning difficulty...” “One strongly suspects that much of Willie’s personality constellation found its origin in his being badly burned as a child. Possibly already predisposed toward unrealistic dependency, he found that he could control his environment by using his accident and its obvious sequelae. This has continued until this behavior has become a way of life.” “In essence, a borderline mentally retarded youngster that presents strong evidence of brain damage and associated specific learning disability. There may well be some additional functional impairment due to a disabling personality disorder that seems to be associated with his being burned as a child...” “For VR purposes the impression is: Borderline mental retardation with behavioral disorder manifested by passive-aggressive, passive-dependent lifestyle and two recent criminal convictions. At present there is no apparent evidence of psychosis or debilitating neurosis, but likely some organic involvement manifest by measured mental defective IQ (Beta 67) and mild perceptual motor impairment and moderate characterological disorder secondary to an early life trauma.”
- MR 000555: Burns were at age 7
